PLEASE NOTE:

Applicants to CDFD's Research Scholars Program who clear the first round of interview and are shortlisted for the second round of interview may contact CDFD faculty between 19–21 September 2020 via email or phone to familiarize themselves with the research interests of the various faculty. Email addresses and phone numbers for each faculty member are available on the CDFD website.

Contacting the faculty is purely optional. If you are unable to contact CDFD faculty by 21 September 2020, it will not be held against you - the selection criteria will be independent of whether or not a candidate has contacted CDFD faculty. The purpose of this interaction is merely to give shortlisted candidates (and the faculty) an opportunity to acquaint themselves with each other.

Conversely, even if you are shortlisted for the second round of interview and utilize the opportunity to contact CDFD faculty, CDFD will not be obliged to select you for the Research Scholar position.
