निबंध आधारित अनुसंधान प्रशिक्षण कार्यक्रम – 2025-26
Dissertation based Research Training Programme – 2025-26

The Centre for DNA Fingerprinting and Diagnostics (CDFD) is a research institution under the Biotechnology and Innovation Research Council (BRIC-CDFD) funded by the Department of Biotechnology, Government of India. BRIC-CDFD provides services in the areas of DNA Fingerprinting and Diagnostics and performs cutting edge research in several frontier areas of modern biology, Dissertation based Research Training invites applications from interested individuals to undertake. Candidates will work in a laboratory for a minimum period of 4 months and a maximum period of 6 months based on their research interest.

योग्यता / Eligibility:

1. Candidates pursuing M.Sc. / M.Pharm / M.Tech (during any semester) or B.Pharm / B.Tech / Integrated M.Sc. (from the third year onwards) in any branch of Life Sciences are eligible to apply for this program.
2. The applicants should have first class throughout their Academic Career, i.e. 10th, Intermediate or 12th and Degree (till the previous semester).

आवेदन प्रक्रिया / Application Procedure:

इच्छुक उम्मीदवार निम्नलिखित आवेदन प्रक्रियाओं में से किसी एक का विकल्प चुन सकते हैं / Interested candidates can opt for one of the following application procedures:

विकल्प 1 / Option 1: The candidate can directly submit the online application. Labs will be allotted based on the applicant's research interest and statement of purpose. Please note applications are opened once a year (usually in September / October), and selected candidates are notified in November. They are free to start the training anytime within the next year (till December).

विकल्प 2 / Option 2: Candidate having specific research interest can directly contact CDFD Scientists / Group Head and discuss specific research questions they want to work on. Candidates are free to contact the Group Head **throughout the year**. A minimum of two months, from the starting date of the training, is required for processing your application. Please note that your selection will also depend on slots available in that particular laboratory.

Candidates applying via option 2, once they are selected, can fill the application sent through return email along with written consent letter from the Group Head.

The applicants should also furnish a bonafide certificate from their Institute / University ([Annexure – I](#)).

An online application, including areas of interest and Statement of Purpose (200 words /1500 characters) is to be filled and submitted.

छात्रावास आवास / Hostel Accommodation:

CDFD will make attempt to provide, at no charge, accommodation during the period of fellowship on first come first serve basis subject to availability. However, you will have to pay for your food and other expenses. Local candidates will not be provided any accommodation.

Candidates have to submit a proof of having a Health & Accidental Insurance Mediclaim policy of a minimum of 1 Lakh each in their name at the time of joining.

In cases where the candidate joins the program and wants to discontinue without completion of the program (minimum residency period of 4 months), no project completion certificate will be provided.

The applications have to be made online only.

आवेदन शुल्क / Application Fee:

The candidates applying for the training are requested to pay an application fee as detailed below:

Sl. No.	Category	FEES
1	General Candidates	₹ 500/-
2	Other Backward Classes (OBC)	₹ 250/-
3	SC/ST/PWD/EWS/Women candidates	₹ 125/-

The application fee will be collected online only through NEFT transfer to CDFD account as per the details given below. Any additional Transaction Charges will be paid by the Candidate.
